Updated 7/21/21

Ashbrook strives to create a learning environment that is safe both physically and emotionally and ensures all students' ability to fully participate in academic activities. The dress code fosters a professional mindset that students are at school to learn and to help develop respect for self, others, and the school. The school's standard is simply that clothing be neat, clean, and appropriate to the program of the day. All clothing should be modest, good condition, fit properly, and free of unsafe accessories.
